Message from Commissioner Christine Moore

Dec. 1, 2022

Dear Neighbors,

On Tuesday, Dec. 6, 2022, I will take the Oath of Office to serve as your Orange County Commissioner in District 2 for four more years. I am ecstatic and grateful I have four more years to complete what you and I have started together.

My office has always been built on collaboration with neighborhoods to build the strongest District 2 possible.

That focus will not change beginning

Tuesday. My goal is to increase safety in your community, create a heartier infrastructure, increase property values, promote sustainability and protecting our beautiful natural resources in this district, and strengthening neighborhoods through continued collaboration.

You are welcome to contact me at district2@ocfl.net or 407.836.5850.

I hold Quarterly Neighborhood Leaders' Meetings and would love to have you become a leader where you live.

Happiest of Holiday Seasons,

Commissioner Christine Moore

Orange County Hurricane Debris Removal Continues

Orange County contractors continue to remove debris caused by Hurricane Ian and Tropical

Storm Nicole. The completion is estimated to occur in mid-December.

Since October 6, 2022, crews have collected more than of 220,000 cubic yards of debris, which would fill 5,500 commercial sized dumpsters, or nearly 15,000 average-sized dump trucks.

Crews continue to work 12-hour days, seven days-a-week to clear county-maintained streets and roads, focusing on subdivisions with critical needs before addressing lesser-affected areas.

As a reminder, all storm debris should be placed in the county's right-of-way in accordance with [previous guidance](#) for collection.

Multicultural Center Preview

On Mon., Nov. 28th, I joined Mayor Demings and outgoing Commissioner Victoria Siplin for the ribbon-cutting of the new Multicultural Center in District 6.

Commissioner Siplin worked diligently on this community center which will offer space to have meetings classes, events, and community-

building activities.

Speed Cushions Added in Several Neighborhoods

Safety is always uppermost in my mind. When residents reach out asking for speed cushions to deter fast driving, it's usually because they've reached a breaking point.

Two of our communities just had them installed.

This is just part of the county's mission to make Clarcona Ocoee Rd. safer.

Installation is expected by the end of January 2023.
