Taylor Laurent reviewed several studies on both trail extensions and road alterations. These can be seen at MetroplanOrlando.org/RockSprings/. It was noted by several residents that the portion of the trail planned for connecting Wekiwa Springs State Park to Rock Springs trail is poorly routed behind the homes on the corner of Wekiwa Springs Road and Welch Rd. The trail exposes homes to bike and foot traffic. The path also exposes walkers and bikers to wildlife encounters.

Christine Moore stated that POWS meetings will be held the 1st Tuesday of the month.

The meeting was closed at 8:15 pm

Secretary, Bob Samson
